Dear Mr. Moose:

On behalf of the U.S. Committee for Refugees, I am submitting a list of 14 policy actions which I urge you to take under consideration in responding to the crisis in Rwanda.

Time is of the essence. Although 200,000 or more persons have died, there are hundreds of thousands more who can be saved with wise and aggressive action. Hardliners in Rwanda continue to use the radio airwaves in Kigali to exhort their militias to accelerate the slaughter.

I urge you to make Rwanda the highest possible foreign policy priority.

Please contact me if I can be of further assistance.

Sincerely,

Roger P. Winter
